Global Sourcing Council's 3S Boot Camp

As part of our GSC Boot Camp, there are a series of lectures, workshops, and take away projects to help foster sustainable and responsible supply chain management. They emphasize

1. 3 Pillars of Sustainability
2. Barriers & Solutions to Sustainability
3. Influencing Skills
4. Teamwork Simulation
5. Open Communications
6. Global Reporting Initiative (GRI)
7. Sustainability Projects for your organization
