

PRESENTS

Sustainable and Socially Responsible Sourcing Awards (3S Awards)

**Calling all individuals and
organizations with a
Socially Responsible
Conscience!**

**Showcase your work and stand
to win an award!**

OUR MISSION

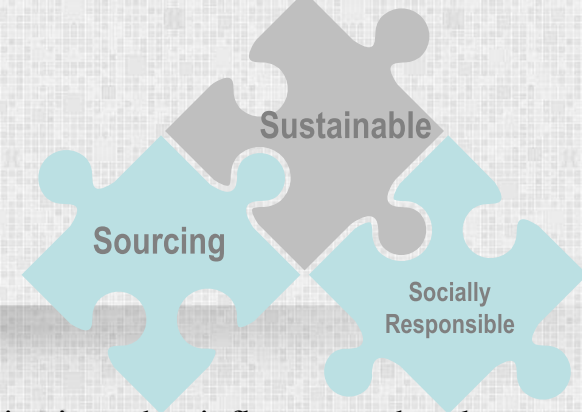

- The Global Sourcing Council (GSC) honors individuals and organizations that have demonstrated exceptional social and economic leadership in innovating, improving and implementing Sustainable and Socially Responsible Sourcing (3S) practices. 3S practices are those activities that individuals or organizations do to ensure that they make a meaningful impact across their value chain into the lives of the buyers, suppliers, business partners, advisory services and surrounding communities, which are not only socially responsible but sustainable as well. Previous winners of the 3S Awards can be seen on:

- www.gscouncil.org

CATEGORIES

- **3S Community Engagement Award:** This award is focused on organizations that influence and make sustainable a single or multiple communities by providing employment, making available building block resources for survival, providing educational tools and resources and enabling communities by availing business opportunities.
- **3S Employee Engagement Award:** The Employee Engagement Award is aimed at businesses/organizations that empower their employees towards 3S actions. This would include but is not limited to engaging employees in sustainable and socially responsible practices through the company/various groups and providing tools for employees (educational/ vocational).
- **3S Empowered Women Award:** This award recognizes 3S initiatives taken to empower women that are part of global supply chains or their surrounding communities, as well as honoring women who have made a 3S difference.
- **3S Impact Sourcing Award:** This award recognizes individuals and organizations that have established and implemented impact sourcing practices to benefit disadvantaged communities.
- **3S Innovative Sourcing Award:** This award recognizes innovative 3S initiatives across all industries and platforms.
- **3S People's Choice Award:** This award is based on popular vote by the sourcing community. Videos from all categories will be up for voting and the most popular submission will make the cut for the award.
